Bonmarché

AUTUMN

Collection 2018

Bonmarché sells stylish, easy-to-wear fashion for women in sizes 10-24, in over 300 stores nationwide and online at bonmarche.co.uk.

Available from August, the autumn collection boasts a range of beautiful outerwear, dresses and separates in a variety of bold colours and striking prints.

This season the brand also debuts the all-new Mark Heyes edit, handpicked by Bonmarché's official style consultant. Featuring figure-flattering designs in contemporary prints; these on-trend pieces can be worn together or styled perfectly with the existing Bonmarché collection.

The Edit by Mark Heyes will be available in-store and online from September.
